

# **THE** tracing experts

## Over 90% Success Rate\*

We are expanding our dedicated tracing operation

- **10+ Years Tracing Experience**
- **Champion Challenge Winners 2007#**
- **Extensive Tracing Methods  
(not just database searches)**

We pride ourselves on our intensive, accurate and exclusive tracing techniques – using local contacts in addition to people tracing databases We confirm all traces as correct before reporting with a free 30 day recheck service

- **Rapid Turnaround (terms negotiable)**
- **Fantastic Reputation Within Legal Sector**

For many years now we have worked in partnership with debt collection agencies, law firms, businesses and government departments tracing elusive subjects for debts, court appearances, personal injury claims and other legal requirements.

- **Process Serving**

We act locally and nationally in the swift execution of legal process for fixed fees using our network of dedicated investigators throughout the UK, Europe and even the world!!

We also undertake process serving, and can offer this service alone or as part of a trace/process service package.

Contact our new business team who will be happy to discuss our full range of tracing, legal and detective services.
